

CUSTOM *feel*CREATORS IGNITION REQUEST FORM

Thank you. It's an honor to design a Custom *feel*CREATORS piece for you. My art is not just aesthetic, there is intentional positive energy created by and radiating from each composition. I strive to produce work that enhances the lives of those who experience it. I respectfully welcome you as an integral component of the FC interlaced energy network. There are a few questions below that will allow me to create that which is best aligned for you. In your responses please share with me only what you feel comfortable in doing so. Responses less than 100 words are greatly appreciated. We will discuss things in further detail.

Enjoy and let the ignition of our positive energy transmission into physical expression begin!
